

April 24, 2020

Dear Spiritual Family, Blessings to you all.

As we continue to remain “still” in the presence of the Lord, (“quarantine”) – I imagine Jesus entering into our homes as He whispers with love, “*PEACE be with you*” *I am here ... I am with you.*

We are living unforgettable moments, where we can perceive the GRACE OF GOD in a deep way and also the loving presence of our Mother, Mary FULL OF GRACE - our Mother Queen of Peace, who very closely is accompanying us in this moment of "confinement" - confinement that must have a “good effect” on our lives.

I will like to invite each one of us, to focus on the CROSS and not to focus on what caused the situation we are facing worldwide, but in these KAYROS moment, let us see the “effects” and “fruits” from the angle of **The Cross of Jesus**.

A very noticeable fruit is that our *Domestic Churches* are now more alive than ever and we are living in the Spirit of the Resurrection, where once again hope, love and faith are openly expressed.

We have many means that allows us to be united, let us continue to be ONE in Christ, through every Spiritual Communion we are able to profess from our homes, we are not alone, our souls continue to be nourished. Praise the Lord.

In this greeting, we want to tell you that our CCRC Family is accompanying each one spiritually, through our Intercessory prayers.

We are placing your needs at the foot of the Cross as we participate on the “ONLINE MASSES” --- we are taking advantage of social media to continue to spread the good news, Jesus is our HOPE, and this too shall pass.

We are also taking time to gather “virtually” to pray and keep in contact. Technology is also a blessing. You are not alone - We are united in the same spirit, we are covered under the banner of LOVE.

As expected, ***we have had to suspend all our CCRC events/conferences until further notice*** - but you can continue to fan the flame of the Spirit from your own homes, also keep in touch with your prayer groups, and if you will like to join us via social media and pray with us, feel free to contact us for details.

Our networks are open, feel free to call us, write to us – Please keep in touch, reach out, let us know how we can assist you or just “drop-in” to say hello May Our Lord protect us all. **Claiming Canada for Jesus and Mary !!! Viva Cristo Rey and Mary Most Holy !!!**
